About our Rental Policies

These policies are necessary so that we may continue to provide you the type of service you expect and deserve. We appreciate your understanding and cooperation.

Delivery & Pick up

Delivery is available at a minimum fee in the Waco area. Delivery to surrounding areas is available upon quote. Delivery should be scheduled in advance and is to first floor entry level or dock. All equipment is left stacked in one central location and we ask it be in the same location for scheduled pick up. Any delivery/pick up requiring further service will be charged at a higher price. Including after hours Saturday and Sunday.

Set up & Take down

We are happy to provide a complete service, as long as it is prearranged and the additional charges have been included in the contract.

Deposits & Payments

We require a 50% deposit on all items reserved in advance. The balance is to be paid the day of the event. Reservations are for a specific date; thus deposits are refunded only if the order is cancelled two full weeks prior to the event date. No exceptions.

Correct Counts/Loss/Damage

We are very thorough in our counts. We double count each order to avoid mistakes. We ask that you count your order upon taking possession, since you are accepting the count on the contract, and will be charged for any missing items upon return. Responsibility for the equipment remains with the renter from the time out until the time of return. Please be sure the equipment is secured when not in use and protected from the weather.

Pricing

Most prices quoted are for a 1 day, 1 event charge based on 24 hours. We offer weekly and monthly rates upon quote. All prices are subject to change without notice.

Return of Equipment

All items come clean and sterilized, ready to use. All equipment should be returned as received. Linens should be free of debris, dry to avoid staining or mildew, and void of candle wax. We do charge for dirty, broken, or missing items.
